Notice of Construction

Road Rehabilitation on Hollidge Boulevard

Forest Group has been contracted by the Town to rehabilitate Hollidge Boulevard.

It is anticipated that the work will commence on Hollidge Blvd on May 13th, 2025, and will take approximately 4 weeks to complete (Figure 1).

Parking can be a challenge during this time. We ask that cars are not parked on the roadway. The contractor will work with residents on a case-by-case basis in the event that access to individual homes are impacted by construction activities.

Regular hours of construction are 7:00a.m. to 7:00p.m. Monday to Friday. The Contractor may work on Saturdays depending on project need. We appreciate your understanding and cooperation as we undertake this work.

If you have any questions or comments regarding this project, please contact:

Taylor van Velsen
Contract Administrator
Engineering and Capital Delivery Division
